Autumn 2025 in Nursery

It has been a busy and exciting term in Nursery, getting to know all the children, making new friends and exploring the classroom and outdoor areas.

At the start of the term, we learnt about our unique families and where we live. We spoke about how our families are all different and some of the things we like doing together.

As autumn approached, we explored our school grounds and observed the change in season. It was great fun crunching in the leaves!

Continuing our theme of autumn and harvest, we made our own bread and butter. It was hard work turning the cream into butter and kneading the dough!

We also took part in World Rhyme week- a highlight was making our own grandfather clock for Hickory Dickory Dock.

We joined our whole school's 50th birthday celebration –and enjoyed making our own tie dye

We made bird feeders using left over pumpkins and have been looking for birds in our playground and on the school field.

At the end of the term, we enjoyed performing our Jingle to our parents. The Children were all superstars!
